

Peter Drummond FRIAS MRIA RSUA RIBA

Peter brings over 30 years' experience of working in the construction sector to our Board. He is a Trustee and Fellow of the Royal Incorporation of Architects in Scotland where he is involved closely with issues around competency, safety, and regulation. Peter is also a Fellow of the Chartered Association of Building Engineers and is registered with the RIAI.

He was Chair of the Architectural Heritage Society of Scotland from 2008 until 2013, sits on the Board of the Built Environment Forum Scotland, and is on the board of the National Trust for Scotland. He provides expert advice to bodies such as the Scottish Parliament on a wide range of architectural and built environment issues.

Peter's work projects include Turnberry Hotel, the Kilmarnock Townscape Heritage Initiative, St Francis Monastery, the People's History Museum in Manchester, Shrewsbury Music Hall, Lews Castle and Portencross Castle.
